

Administrator

This tool is used for evaluating/surveying users in quizzes/surveys. Clicking Administrator from the VR Evaluation menu will open the Login dialog below.

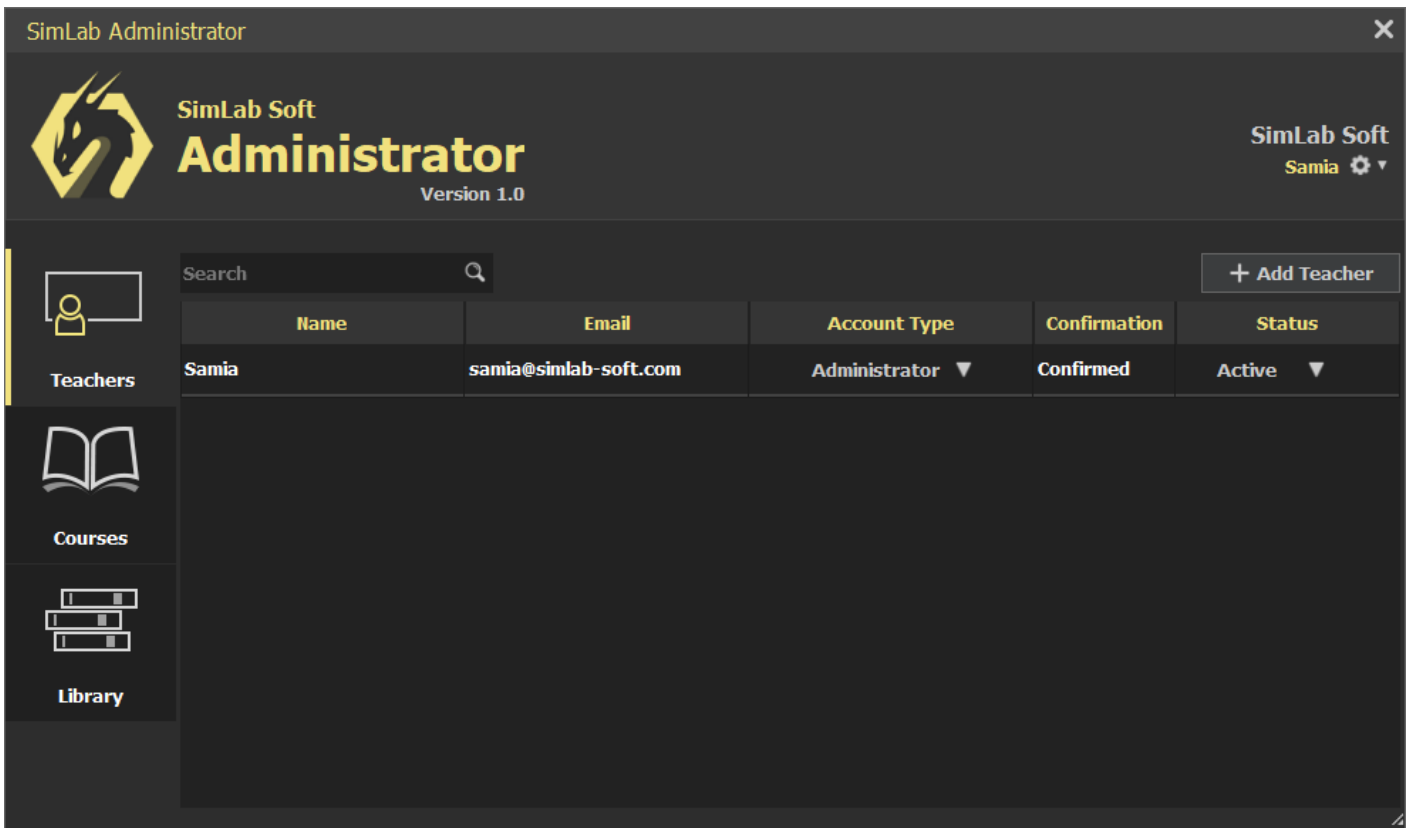

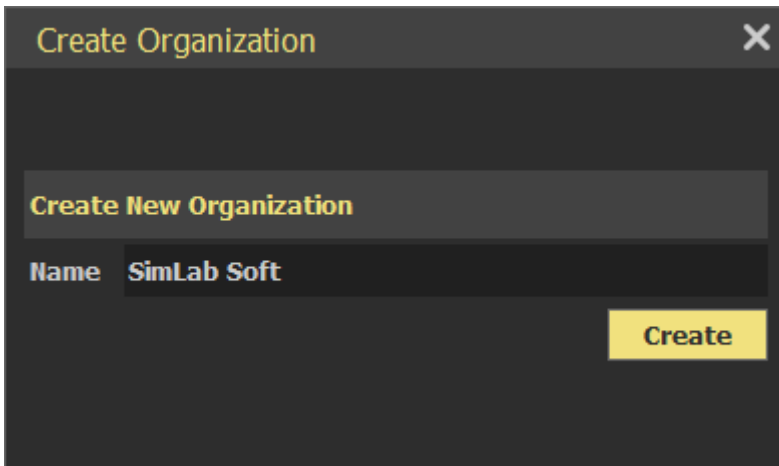

The image shows a dark-themed 'Login' dialog box with a close button (X) in the top right corner. The title 'User Login' is centered at the top. Below the title are two input fields: 'Email' with a person icon and 'Password' with a lock icon. Under the 'Email' field is a checkbox labeled 'Remember me'. To the right of the 'Password' field is a link labeled 'Forgot Password'. A yellow 'Sign in' button is centered below the input fields. At the bottom of the dialog, there is a horizontal line and the text 'Don't have an account? [Sign Up!](#)'.

To have access to the evaluation tool the user needs to be part of an **organization**, creating an organization and managing users in an organization is done through **SimLab Admin**, from under the VR Evaluation menu.

After logging in with a registered email address and password the Create Organization dialog below will appear to enter the name of the organization.

To learn more about how to set up and manage an organization check this tutorial
